## *Trail Ride to the Lake of the Hanging Glaciers*

The annual official ride of the Trail Riders of the Canadian Rockies will leave Banff the Base Camp of the Alpine Club of Canada, about twenty-one miles from Lake Windermere Bungalow Camp on August 2nd for the Lake of the Hanging Glaciers, over seven thousand feet above sea-level. Those staying at Lake Windermere can motor on the morning of August 2nd to the starting point. Arrangements are being made for transport at a low rate. There will be limited accommodation for those wishing to spend the night of August 1st at the Base Camp, charge probably four dollars including supper, breakfast and tent accommodation. Riders from Banff and Lake Louise will take motor busses on August 1st (special round trip rate for Trail Riders in parties of not less than four—ten dollars), sleeping overnight at the Base Camp. The rate for the Trail Ride will be fifty dollars, and the ride will last four days. Riders must bring their own sleeping bags and three warm blankets. Guides, horses, food and tent accommodation will be provided. Arrangements have been made with the Alpine Club of Canada to use their Camps at the Lake of the Hanging Glaciers. The scenery en route and at the Lake of the Hanging Glaciers is highly spectacular, and the trails are good.

This Trail Ride will qualify newcomers for the bronze button of the Order. Reservations should be made at once to L. S. Crosby, Western Secretary, Trail Riders, c/o Brewster Transport Company, Banff, Alberta, Canada.

The Trail Ride will be under the general command of Lieut.-Colonel Phil. A. Moore.
